### Integrating Autoimmune Risk Loci with Gene-Expression Data Identifies Specific Pathogenic Immune Cell Subsets

Xinli Hu, Hyun Kim, Eli Stahl, Robert Plenge, Mark Daly, and Soumya Raychaudhuri\*

(The American Journal of Human Genetics, 89, 496–506; October 7, 2011)

In the original version of this article, the Supplemental Data should have included five tables in addition to five figures. This error has been corrected online. *The Journal* regrets the error.

## Masthead

The October 2011 masthead should have reflected that Kathryn D. Bungartz had replaced Robin E. Williamson as *The Journal's* deputy editor. The masthead in this issue is correct.
